**These charges Do Not include drugs but do include self funded top up fees (now called medical charge). Please refer to the billing information with worked examples. Optional laboratory charges are payable for additional services such as freezing “spare” embryos.**

**Blood tests will be charged separately by the Pathology Laboratory and an additional £5 is charged per patient bled by the phlebotomy department.**

If the treatment cycle is abandoned, any refundable money will be calculated on an individual basis at the discretion of the Centre

Any patient who cancels their appointment within 24 hours of the appointment time will be charged an administration fee. If treatment is cancelled after scheduling a cancellation charge of £525 is payable as the slot cannot be used at short notice.

Treatment can fail at any stage irrespective of the quality of care and treatment provided. The Shrewsbury and Telford Hospitals NHS Trust will not offer refunds for treatment provided. This is without prejudice to the couple's usual legal rights and does not constitute an admission of liability.

#### All Major Credit Cards Accepted

**The Shrewsbury and Telford Hospital NHS Trust reserves the right to change prices without prior notification. The Fertility Centre reserves the right to refuse treatment if payment is not received in advance.**
